A Cold Wave Monday.

[Nashville American.]

The long-looked for cold wave is due next Monday. The country has in vain but it is a consequence of profiting by of inquiry regarding the conduct of

Philadelphia Lecord.

It might be imacined that the life of an officer in the United States army since the civil war would not entail any great hardship or danger, yet the comes from Washington city, and will be in the nature of a blizard. Senator Ingalls, just out from a joust with la grippe, will deliver on that day a speech to the United States and joust with la grippe, will deliver on that day a speech to the United States and will the cold wave originate. Thus will the cold wave originate Its se verity none who have ever heard or read after the Kansas cyclone will doubt. The words as they come out of his mouth will resemble the frozen breath of the arctics, and all his sentences will be punctuated with icicles.

The hoisting of cold wave flags should begin at once.

It might be imacined that the life of an officer in the United States army since the civil war would not entail any great hardship or danger, yet the records of the War Department show been killed by Indians, while 275 have slied in service at posts west of the Missisppr river. One thing noticeable about Indian warfare is the thorough ones with which the savages do their work. During battle in ordinary warfor his mouth will resemble the frozen breath of the arctics, and all his sentences will be punctuated with icicles.

The hoisting of cold wave flags should begin at once. It might be unacided that the life of
